ENERGY STAR APPLIANCE REBATE INCENTIVE

Mansfield Municipal Electric Department (MMED) is pleased to offer rebates to customers purchasing selected energy efficient ENERGY STAR central air conditioners, refrigerators, clothes washing machines, dishwashers, dehumidifiers and window air conditioners. ENERGY STAR appliances have been defined by the Department of Energy (DOE) as being significantly more energy efficient than the average comparable model. The advantages of purchasing ENERGY STAR appliances include:

Potential savings in energy costs of between 15 and 50%

Reduction of global energy consumption and need for additional generation

Decrease in pollution from fossil fuels used to generate electricity

This offer is available for a limited time only. ENERGY STAR appliances must be purchased between the dates of January 1, 2011 and December 31, 2014 in order to qualify for a rebate. Please see complete Rebate Eligibility Requirements contained in this brochure.
